RE: Addendum to Application for Camera Sites at Mill River Park

Please accept this as an addendum to the October 2nd, 2014 application from the Mill River Collaborative for camera installations sites for detecting and preventing crime and property destruction.

The proposed locations of the cameras are as follows:

6 locations with approximately 12 surveillance cameras.

- 1) Playground area entrance at corner of Tresser Boulevard and Mill River Street;
- 2) Walkway area under the Tresser Bridge;
- 3) Area off Washington Blvd near the Grand Steps;
- 4) East side of Mill River near the Main Street Bridge;
- 5) West river path facing the Grand Steps;
- 6) and Carousel Pavilion at Broad and Mill River Street.

Thank you for your consideration of this request. If you have any questions, you can call me on 203-989-0321, ext. 102.
